Description of the Instruction Objectives Academic Master in English Language and Culture

At the end of this instruction, Master's degree holders should be proficient in English language and have enough knowledge about British and American literature and civilization. This will allow them to have the necessary skills to:

- ✓ Provide quality teaching in British and American language and culture following the needs of: public schools, private schools, specialized establishments, etc.
- ✓ Start a doctoral work under the optimal conditions required by the regulations in force regarding the doctoral research.
- ✓ Master the methodological and conceptual tools specific to fields of investigation (literature, history, culture)
- ✓ Initiate theoretical reflections at a significant academic and methodological level.
