EDUCATION

- University accreditation with Biological Sciences option June 2022.
- Doctorate in science option applied biochemistry 2018. Badji-Moukhtar Annaba University.
- Magister in Applied Biochemistry 2009. Badji-Moukhtar Annaba University.
- Higher Education Diploma in Applied Biochemistry 2003. Badji-Moukhtar Annaba University.
- Higher Education Diplomain Management-2006. University May 8, 1945 Guelma.
- 2000 Baccalaureate diploma in nature sciences.
- 1999 Baccalaureate diploma in nature sciences.

EXPERIENCE

1. Research projects

- From 01/01/2023 Chief head of University Training Research Projects (PRFU) "Evaluation of the biological activities of natural substances from plants in the Aures region, North-East Algeria. » Code: D01N01UN400120230003 Faculty of Natural and Life Sciences Abbes Laghror University, Khenchela,
- Member of the "Biotechnology, Water, Environment and Health" laboratory.
- From 01/01/2017 Biochemistry License specialty manager until 11/19/2023. Faculty of Natural and Life Sciences Abbes-Laghror University, Khenchela
- From 2019-2023 Member of the scientific committee of the Cellular and Molecular Biology department.SNV Faculty, University of Khenchela.
