

## Informations personnelles

Prénom : Abdelhak Nom: BERKIA

Date de naissance : 21/02/1982 Lieu de naissance : Khenchela

Le grade scientifique: **Maitre de conférence -A-**

Spécialisation : **Génie Mécanique**

Majistère (2009), Doctorat (2022), Habilitation Universitaire (2024).

## Informations professionnelles

- Chef de spécialité licence construction Mécanique (2017-2019).
- Chef de D épartement Génie Mécanique (2019-2024).

## Expérience scientifique

- Membre au laboratoire ISMA.
