

## Curriculum vitae

Last name: **BOUZOU**  
First name: **LAZHAR MOURAD**  
Born: 20/11/1961 at khenchela 40000 (Algeria)  
Married: 04 children  
Nationality : Algerian.  
Permanent address :BP/182 ENNASR Khenchela 40002 (Algeria).  
Mobile : 0776345579  
E-mail : BOUZOU.LAZHAR@yahoo.fr

### Training and Degrees

December: 18/12/ 2018 **Diploma Doctorate in Science**

January 2009/ June 2009: **English language certificate**

October 1992/juillet 1993: **m a s t e r of sciences In Agronomy** center international of advanced studies Mediterranean: (C.I.H.E.A.M) Bari-Italie

October 1991/July 1992: D.E.S.S C.I.H.E.A.M **Diploma of Advanced Specialized Studies** Bari-Italie

October 1981/September 1985: **Engineering Degree in Agronomy**, Mostaganem National School for Advanced Training in Agronomy (E.N.F.S.A) Algeria

June 1980/1976 **high school** Chihani Bachir khenchela (transitional sciences)

June 1980/81/82 **Electricity Baccalaureate** (independent candidate)

### Languages

Reads, speaks and writes: Arabic, French, Italian and English.

### Professional Experience

1. July 17/07/2019 to date **Head of department of ecology and environment.**
2. September 2017/2018 Deputy **head of department of agronomy post-graduation.**
3. October 2012/2014 **Vice Dean of Pedagogy at FSNV**, Abbes Laghrour University.
4. September 2018/2019 **Lecturer (B) Head of ecology department**
5. October 2011/2014 **Associate assistant professor (A) lecturer** Abbes Laghrour University, Faculty of Natural and Life Sciences
6. December 1996/2011 **Lecturer** at the University of Annaba,
7. October 94/96 **associate assistant professor** at the Oum EL- Bouaghi University Center, Agronomy Department
8. November 94/96 **State Engineer**, Laboratory Manager at the National Institute of Soils, Irrigation and Drainage (I.N.S.I.D) in Algiers
9. 1986 to 1991 **Agronomist**, Agricultural Directions, Khenchela Ministry of Agriculture (Algeria.)
10. 1985 to 1986 **Agricultural Engineer**, Soil Reclamation Department Agricultural Service Department (D.S.A) Oued Souf (Algeria)

### Internship and Training

1. From 01/03/2011 Valorisation, studies of irrigation water qualities in To 20/ 04/ 2011 Different concentration of residual water on two Crops Theme (industrial tomatoes, green beans).

Location (I.N.A.T) Tunis

2. From 15/03/2012 Valorization, irrigation water quality studies in To 30/03/2012 Différente concentration des eaux résiduelles sur deux Cultures (tomates industrielles, haricots verts).
3. From 20/12/ 2013 valorization, studies of irrigation water qualities to To 06/01/2013

Different concentration of residual water on two Theme Crops (industrial tomatoes, green beans).

Location (I.N.A.T) Tunis.

4. From 04/23/2013 to 05/13/2013 Theme: valorization, studies of irrigation water qualities at Different concentrations of residual water on two Crops (industrial tomatoes, green beans). Location (I.N.A.T) Tunis.

5. From 12/23/2014 To 01/13/2015 Theme Valorization, studies of irrigation water qualities at Different Concentration of residual water on two Crops (industrial tomatoes, green beans).

Location (I.N.A.T) Tunis

6. Nov. 30, 96-Dec. 97

Theme: resource management in the face of agricultural challenges Organized by C.I.H.E.A.M Italy, D.G.C.M Ministry of Foreign Affairs Foreign Affairs in Beirut (Lebanon)

Location Beirut (Lebanon)

7. From 10th to 17th Oct 96 Theme Protected crops Organized by C.I.H.E.A.M de (Bari) Italy I.A.V .Hessen II Location Agadir (Morroco)

8. From 03/22 to 05/14/04 Theme Drought resistance of Prunus rootstocks. Location Institut National Recherche Agronomique (I.N.R.A).

Bordeaux (France)

### **National and international seminars**

1. From 09-10/Apr/2019 3rd International Seminar Theme: Pastures, rangelands and feeding in the Mediterranean Basin.

Organized by Centre universitaire El-Tarf (Algeria)

2. From 01 to 03/Oct /2018: International Seminar Theme: Impact, phytotoxicological study of irrigation water qualities from wastewater on vegetable crops.

Venue: ENSA El Harrach Alger (Algerie).

3. From 11-12 to 13/Oct /2017 Theme: 3rd International Symposium on Minerals, Industry and the Environment.

Venue: BADJI Mokhtar University (Annaba) from 25 au 27/Oct /2017

4. SDMed2017 International Seminar, Theme: Wastewater Treatment and Quality Management in Agriculture

Organized by : Medjaz El Bab University (Tunis )

5. From 14-12/nov/2007 International Biodiversity Seminar, Theme: Environment and health (International seminar) Organized by Université de Chadli Benjedid (El -Tarf) (Algeria)

6. From 08-09/May/2013 President of a National Seminar Theme: Agricultural Challenges (National seminar)

PLACE Université de Abbes Laghrour (Khenchela From 27-28/Feb/2013 National seminar Theme on Biodiversity and Development Organized by Université de Abbes Laghrour (Khenchela)

7. From 27-28/Feb/2013 National seminar Theme on Biodiversity, and sustainable development Organized by Université de Abbes Laghrour (Khenchela).

8. From 08-09/May/2013 National seminar, oral communication Theme: Agricultural Challenges and Grey Water for Agricultural Purposes

Organized by Université de Abbes Laghrour (Khenchela)

9. from 17-18-19/Dec/2013 Meeting International Theme : sur la gestion des ressources et Application Biotechnologique en Aridi culture, et culture Saharienne.

Organized by (I .R. A. D) Djerba (Tunis).

10. From 05-07/Apr/2013 Congrès International sur la qualité des produits et l'environnement Thème Traitement et valorisation Sur des rejets Effets sur la santé humaine

Organized by (Laboratoire. et la Faculté. Pharmaco. Monastir) In Mahdia (Tunis).

11. From 13-14-15/Dec/2003 Communication Posted, Urban Forestry. Theme Rational exploitation of natural

environments and sustainable development.

Organized by Université d'El-Tarf . (Algerie).

12. From 13-14-15/12/03 1er Séminaire National.

Theme: Rational exploitation of natural environments and sustainable development.

Organized by Centre universitaire d'EL-Tarf (Algeria).

13. May 15-17/04 1st International Seminar.

Theme Urban environmental ecology status & outlook

Organized by the University of Constantine. (Algeria).

14. From 12-14 /Nov/2007 1st International Seminar. Theme: Biodiversity, Environment and Health.

Organized by EL-Tarf University Center (Algeria).

15. From 11-12 /Oct/2009 2nd Mediterranean seminar. Theme: Ecosystems and plant health, pastures and livestock health.

Organized by EL-Tarf university center (Algeria) .

16. From 11-12/Oct/2009 2nd Mediterranean seminar Theme Livestock feed and pastures in different wetland sites.

Organized by Centre universitaire El-Tarf (Algeria) .

17. Nov. 30, 97-06/12/97 International Seminar Theme Resource management in the face of agricultural challenges

Organized by C.I.H.E.A.M Italy D.G.C.M Ministry of Foreign Affairs In Beirut (Lebanon)

18. Oct. 10-18, 1996 International symposium on: Irrigation and fertilizer management

Organized by C.I.H.E.A.M de (Bari) Italie ; I.A.V Hassen II (Maroc) A Agadir (Maroc).

## **Cnepu project**

Project title Project code Project leader Grade Session

Industrial tomato: technical itinerary, F03120070004 Soltane.Mahd: Pr 2008

Nutritional quality and enhancement of by-products.

## **Theses and articles**

1. Article : (2018) WJEB (World Journal Environnemental Biosciences) ; Thomson Reuters.

Title: Influences of ferti-irrigation using wastewater on the ISMA F1 industrial tomato.

1. Article : (2018) : Revue Synthèse Badji Mokhtar university, Annaba

Title: Valorization; Studies of irrigation water qualities from Wastewater on two crops (industrial tomatoes) and (green beans).

2. **Thesis: Doctor of Science** 18/12/ 2018)

Title: Valorisation; Studies of irrigation water qualities from wastewater on two crops (Industrial tomatoes) and (green beans).

3. 13/07/1993: **Master of Science**: CIHEAM: « Italie »

Theme Study of salinity evolution on two crops But Sunflower, in germination phase of germination

Manager: Mr J.W. Van Hoorn university of Wageningen, Hollande.

4. 1992/07/14: **Thesis for the Diploma of Advanced Specialized Studies** 1985

Theme: "Redevelopment of a hill reservoir and irrigation project.
