

# Souad Kouchar

Lecturer Class-B

## PROFIL

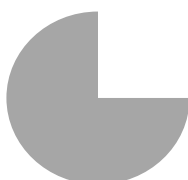

City 616 accommodation Urbaco-Khenchela-

[kouchar.souad@univ-khenchela.dz](mailto:kouchar.souad@univ-khenchela.dz)

0698894549

## Languages

Arabe

Francais

Anglais

## Studies and degrees

**University of khenchela, LMD doctorate** in process engineering, **September 2021**

**Faculties:** Science and technology; **specialty:** process engineering; **very honorable** mention.

**University of khenchela, Master** in process engineering, **July 2015**

**Faculties:** Science and technology; **specialty:** process engineering and environment

**University of khenchela, Bachelor** in process engineering, **July 2013**

**Faculties:** Science and technology; **specialty:** process engineering; **(Valedictorian)**

## Professional experience

- **2016 – 2017. Part-time teacher University of Khenchela** Module: **chemical engineering** for 3 Process Engineering (S1)
- **2017 – 2018. Part-time teacher University of Khenchela** Module: **Pollution Course (Air Water and Soil)** for 3 Process Engineering (S1)
- **2018 – 2019. Part-time teacher University of Khenchela** Module : TP Physico-chemical and biological treatment of wastewater for the 2 Masters Process Engineering (S1)

## Scientific productions

➔ **January 2021; Scientific article on** « New selective modified glassy carbon electrode based on 6-furfurylaminopurine ligand for cadmium detection in real samples ». Scientific Journal : Monatshefte für Chemie - Chemical Monthly-Spriger.

<https://doi.org/10.1007/s00706-020-02722-2>

➔ **December 2018; Scientific article on** Electrochemical Immunosensor for NT-proBNP Detection in Artificial Human Saliva: Heart Failure Biomedical Application

Scientific Journal Proceedings  
doi:10.3390/proceedings2131085
