

# MEMORANDUM OF UNDERSTANDING (MOU)

## MEMORANDUM OF UNDERSTANDING :

The university Abbes Leghrour -khenchela -  
and **The University of L'Aquila - ITALY**

## Forms of Cooperation in the MOU

The MOU outlines several types of cooperation that may include:

1. **Joint research projects:** Collaborative research initiatives between both universities
2. **Summer or Winter Schools:** Organizing educational programs during academic breaks
3. **Reciprocal exchanges:** Faculty and staff mobility between institutions
4. **Scientific events:** Joint organization of seminars, courses, conferences, and other academic gatherings
5. **Research or academic groups:** Formation of teams focused on areas of common interest
6. **Exchanges of students for research:** Supporting student mobility for research purposes
7. **Mutual access to facilities:** Providing access to each institution's facilities when required
8. **Joint education programs:** Development of collaborative educational initiatives such as double degree programs and mutual recognition of credits
9. **Development of new areas:** Identifying and exploring additional fields of common interest as agreed upon by both parties

The MOU establishes a framework for these cooperation activities, with specific details to be formalized through Executive Protocols developed in accordance with the possibilities of both institutions.
