Goal 12 Indicators: Rational Consumption and Production

12-02 Operational Measures

Indicator Question

12-02-07 Do these policies extend to external services and the supply chain?

Answer

Yes: The policies extend to external services through cooperation with local parties (Hamma Municipality and the Technical Landfill Center in Baghay) for waste management. This extension confirms the university's provision of large-scale services (meals, housing, transportation), necessitating the application of environmental policies to the external supply chain to reduce environmental impacts.
