University Khenchela - Abbés Laghrou

## SDG 17: Partnerships for the Goals

Abbas Laghrou University of Khenchela, based on the detailed report, is a pioneering model in achieving SDG 17, as it adopts a comprehensive and integrated approach based on institutional partnership, policy-oriented scientific research, and broad community education.

The following is a detailed analysis of the university's contributions to each indicator of SDG 17:

### 17-04 Education for Sustainable Development Goals

**17-04-02: Does your university have dedicated courses (full degrees, or elective courses) addressing sustainability and sustainable development goals?**

Yes, the university offers dedicated courses in sustainability fields:

- **Course Diversity:** The university offers a diverse range of specialized courses on sustainability topics and sustainable development goals, including elective courses in addition to complete academic programs focused on these areas.
- **Specialized Education:** This specialization is manifested in the presence of master's students specialized in fields such as "Ecology and Environment" who participated in scientific trips specialized in sustainable water management and aquaculture.
