SDG 17: Partnerships for the Goals

Abbas Laghrour University of Khenchela, based on the detailed report, is a pioneering model in achieving SDG 17, as it adopts a comprehensive and integrated approach based on institutional partnership, policy-oriented scientific research, and broad community education.

The following is a detailed analysis of the university's contributions to each indicator of SDG 17:

17-04-03: Does your university as an entity have dedicated educational awareness activities for the broader community?

Yes, the university implements wide-ranging awareness and educational activities targeting the broader community:

- **Community Awareness:** The university organizes educational and awareness activities targeting diverse segments of society, including graduates, local residents and displaced persons, aiming to spread awareness and knowledge of sustainable development goals.
- **Direct Initiatives:** Notable examples include:
 - Organizing the National Forum "Green Algeria" which targeted more than 400 university students, high school students, parents, local residents, and media professionals.
 - Organizing practical workshops and awareness campaigns such as recycling and organic farming workshops and afforestation campaigns, resulting in raising awareness of more than 2000 people and launching 10 local environmental initiatives.
 - Organizing the National Environmental Education Competition 2023 under the slogan "Our Environment, Our Future."
