**Does your university, as an institution, share sports facilities with the local community, for example with local schools or the general public?**

Yes, the university participates in community activities. It engages with the local radio to discuss ways of promoting integration into the economic and social environment through the university's projects, aiming to strengthen communication and engagement with the local community.

**Photo:** *Khencela Regional Radio* – Professor Abdelwahid Challa, University President, with journalist Dr. Fawaz Bourabha. The discussion focused on the current academic year, including evaluation points and ways to promote integration into the economic and social environment through the university's institutional projects.

**Photo:** Discussion on *The University: Current Situation, Prospects, and New Vision*, covering topics such as economic and social partnerships, student campus life, and other important issues, broadcast on *Khencela Radio*. The session featured Dr. Abdelrahim Siyam, Vice Director for Pedagogy, hosted and moderated by journalist Dr. Fawaz Bourabha, with the presence of Adel and Ezzedine Maâchi, and Rachid Bouziane.

**Photo:** *Khencela Regional Radio* hosted Professor Abdelrahim Siyam on the program “Guest of the Radio” to discuss the university’s major achievements and projects, its support for general development, and the impact of the university’s efforts on the community and economic institutions.
