Does your university, as an institution, provide students with access to mental health support?

Yes, Abbas Laghrour University – Khencela provides mental health support to students through organizing seminars and awareness workshops aimed at promoting mental well-being and fostering a culture of prevention and psychological support on campus.

Photos: Under the title “*Mental Health in the University Environment*”, Dr. Sanâ Frouj, Vice Director for External Relations and Cooperation, welcomed university doctors, Mr. Lchekhb, President of the Scientific Club Association in Khencela, and Dr. Alaa Hamouda, a mental health specialist from the *Public Health Institution – Batna*, along with her medical team, at the university’s central administration honorary hall for a scientific seminar.
