

**Grants' award decision under the project
Erasmus+InternationalMobility 2023(IM) - Mobility of higher education students and staff
supported by external policy funds
Outgoing mobilities for study and internship**

Technical Committee Decision of the scholarship award: IM UniCA 2023–OutgoingMobilities for Study –Academic Years 2023-2026

The Technical Committee which met on 18/11/2025, reviewed 24 applications of students' candidates to a mobility within the IM2023Project.

In view of the opinion of the members of the Selection Committee listed below and applications:

- The « Erasmus+ » International mobility 2025 allowance has been awarded to the students listed in attachment.

The **final grant amount** will be calculated based on the effective dates of mobility via the Beneficiary Moduleplatform and in accordance with the flat rate listed as part of International Mobility of Erasmus+ Programme.

Travel costs will be covered by the programme (except in cases of management by the partner university).

The allowance will be paid in three installments: 50% of the estimated amount upon receipt of the attestation of arrival, 30% at mid-term mobility, 20% upon receipt of attendance attestation, taking into account the actual duration of mobility.

The payment of the allowance is conditioned by the file completion and the beginning of the mobility confirmed by the attestation of arrival provided by the host institution.

The International Development and Europe Division of UniCA is responsible for the implementation of this decision.

Members of the Technical Committee:

- Sana FERROUDJ (Person responsible)
- Mokhtar FALEK (Dean of the faculty of Science and Technology)
- Hanane MELLAL(Vice-dean for external relations at the faculty of Natural and Life Sciences)
