Does your university, as an institution, have a university climate action plan that is shared with the local government and/or community groups?

Yes, Abbas Laghrour University of Khenchela has a university action plan addressing climate and environmental sustainability issues, which is shared and discussed with local authorities and civil society through seminars, awareness activities, and relevant research projects.

Photos: Under the presence of the University President, Professor Shala Abdelwahid, along with the Vice Presidents and Deans of the Faculties, the Faculty of Natural and Life Sciences at Abbas Laghrour University of Khenchela organized the First International Conference titled "*Climate Change, Natural Resources, and Sustainable Development.*" The conference was chaired by Dr. Boulebaiz Mehrez and saw the participation of several national and international universities, including institutions from Tunisia, Saudi Arabia, and Greece.
